

# Healthy travel options...

**Atherton Health Centre is on Nelson Street, off Bag Lane.  
The Centre is easy to get to by bus, bike or on foot.**

## Walking

For many people living in Atherton or Hag Fold, the Health Centre is just a short walk away. Walking uses 3 times as many calories as driving, so it's the healthier option.

## Cycling

If you can ride a bike, it is even quicker. The Health Centre has sheltered bicycle parking where you can safely stow your bike. For more about cycling in your area, contact Damian Garner, Wigan Council's Cycling Officer on 01942 404 061.

## Bus and train

Buses go regularly past the Health Centre. The **681** goes along Bag Lane, and you can ask the driver to stop in front of the Centre. On the way back, there is no need to go to a bus stop. Just 'flag down' the bus on the section of Bag Lane outside the Centre (see map).

Other buses from further afield are also shown on the map.

Trains come from Wigan Wallgate and Manchester to **Atherton** and **Hag Fold** railway stations.

## Also

There are ample car parking spaces at the Health Centre.
